## BANGKOK AIRWAYS DISCOVERY AIRPASS

### What is Discovery Airpass?

Discovery Airpass will allow you to take advantage of our expanded network of routes between the region's most exciting destinations – at a fraction of the regular fares. For the first time ever, visitors can fly economically cheaply and conveniently around the region. The participating airlines are:

#### Bangkok Airways

Asia's Boutique Airline pioneered the region's most popular routes, such as Bangkok to Samui. Other favorites include **Bangkok (Thailand)** to **Luang Prabang (Laos)**, and **Bangkok** to Maldives.

#### Siem Reap Airways International

This reliable Cambodia airline is named after the charming town that is the gateway to the wondrous temples of Angkor. Siem Reap Airways International offers domestic routes within **Cambodia** as well as flights between **Luang Prabang (Laos)** and **Siem Reap (Cambodia)**.

#### Lao Airlines

In addition to its domestic routes, Laos' national carrier offers convenient international routes such as **Luang Prabang (Laos)** to **Chiang Mai (Thailand)**, and **Vientiane (Laos)** to **Hanoi (Vietnam)**.

### How does Discovery Airpass work?

It is actually a system of coupons that allows you to fly between Bangkok Airways' many domestic destinations within Thailand, as well as Siem Reap Airways' domestic routes in Cambodia, Lao Airlines' domestic routes in Laos and Berjaya Airways. Coupons for most domestic flights cost USD 65 per adult (Children aged 2-11 = USD 33; infants under 2 = USD 7). \*\*

Discovery Airpass also covers selected international routes serviced by the participating airlines. Coupons for most international flights cost USD 120 (children aged 2-11 = USD 90; infants under 2 = USD 12). Certain long distance international flights cost USD 200 (children ages 2-11 = USD 150; infants under 2 = USD 20). \*\*

\*\* Subject to change without prior notice.
